**Accessibility Information 2016**

Sunburst is committed to providing access and assistance to those with disabilities. We strive to have all our locations and those other venues we use as accessible as possible.

Please call our Accessibility Coordinator, Rita Collins at 406-297-0197 (mtsunburst@yahoo.com) to ask questions or get information regarding accessibility. If you are deaf or hard of hearing, you can get help with telephone access by using the free relay service - 711.

**Parking and Ramped Access**

Accessible parking at Sunburst offices is clearly marked, although it may differ at each site. All of our buildings are accessible by wheelchairs.

Community events sponsored by Sunburst in Eureka are held at the LCHS Auditorium. This venue has accessible parking with easy access through the lobby doors into the theater.

**Large Print Programs**

Printed information for any of Sunburst's services as well as the printed programs for Sunburst Performing Arts Series are available in large print. Please request them at least 48 hours in advance from the Sunburst office that you use. The materials can either be picked up at the office, or for concerts, held for you at the ticket table.

**Wheelchair Seating**

Eureka: There are a number of wheelchair seats along the main aisle in the LCHS auditorium. There is also companion seating. An usher or Sunburst staff can direct you to the seats prior to the performance beginning.

Sunburst does not provide wheelchairs or walkers for events. Your local VFWs often have wheelchairs and other medical equipment that can be borrowed.

**Sign Language Interpreter**

With 48 hours prior notice, a Sign Language Interpreter may be available for an office visit or for a performance. Contact your local Sunburst office for inquiries about the arrangement of interpreter services.
